

Welcome to the Chesapeake Area Roadsters, a Maryland-based car club for Miata owners and enthusiasts. We are the largest Miata club in the area, with members located throughout Maryland, Pennsylvania, and Virginia.

We are an events oriented club, and we typically participate in events such as:

- tech/maintenance/installation sessions
- autocross and hill climb events
- scenic drives (taking the back way, of course)
- car shows

More than anything, we are about having FUN!!

So check out our calendar, join our forum, and come out and enjoy the Miata experience with us!
